

BRADBURY

BRADBURY

DISTINCTIVE LIVING IN LA PUENTE

Home is such a special place, and we've created the perfect new community for your family. Welcome to Bradbury — an intimate, gated enclave of beautiful residences inside and out with your choice of inviting Spanish, Craftsman, and Farmhouse architecture.

Inside, you'll love the spacious floor plans with unique features such as great rooms, lofts, private yards, patios, and 2-car garages. Gourmet kitchens with islands and master suites with walk-in closets and large soaking tubs complete the experience.

The city of La Puente is just 20 miles east of downtown Los Angeles so you can make the most of work, play, and more. Nearby points of interest include Puente Hills Mall, Mt. San Antonio College, Cal Poly Pomona, and Dwight D. Eisenhower Golf Course. The list goes on and on.

Welcome to a new age of timeless and joyful living at Bradbury by Brandywine Homes.

BUILDING TOGETHER for the next generation.

ABOUT BRANDYWINE HOMES

A family-owned and operated homebuilder and community developer, we are honored to create communities and provide quality homes for Southern Californians. We pride ourselves on attracting and retaining the industry's most talented and dedicated employees whose expertise reflects that of our principals.

Our broad capabilities can be seen in the wide variety of housing products we have successfully developed – from inspired townhome collections to luxurious, single family homes to semi-custom, estate-sized homes. We offer the diversity necessary to build homes in communities throughout Southern California, from new suburban developments to urban infill locations.

At the foundation of every Brandywine Home is our utmost dedication to excellence. A recognized leader in challenging infill projects, Brandywine continues to revitalize a number of Southern California's oldest and most established towns, rich in history. We build homes that respect and complement the heritage, values and architectural integrity of existing neighborhoods and the people who live there — while also making a positive contribution to the community.
